PERSONAL

Date of Birth: 6 April 1999

Place of Birth: Johannesburg, South Africa

Citizenship: South African

PROFILE

Diligent, hard working with good time management and organizational skills. I have a love for the technical aspects in the field of Geoinformatics from coding to trying out different technologies and incorporating them into projects.

EMPLOYMENT

Internship with Kartoza for February and half of March 2021

I learned about many different technologies, tools and the power that GIS software provides and how integrating more than one of these technologies together provides endless possibilities to analyze and display the findings of spatial data.

EDUCATION

Matric from St David's Marist Inanda

2 distinctions in math and science

Undergraduate in Bcom General from The University of Pretoria (2018 - 2020)

Majoring in statistics, economics and marketing

Bridging year into Bsc Geoinformatics (2021 – present)

Informatics: Coding basics, SQL and database theory

GIS: Cartographic skills, spatial analyses and spatial database querying

SKILLS

Language – Fluent in English, intermediate Afrikaans

Computer Skills - Microsoft Office, Python, SQL, HTML

Personal Interests – Surfing, Hiking and 4x4
